ULTIMATE COMFORT

Pressure-Sensitive Armrests

Experience unparalleled comfort with Oak Line's innovative, mechanical, pressure-sensitive armrests. These armrests effortlessly adapt to the customer's arm length in seconds, adding an ergonomic touch. Designed with user comfort in mind, they redefine your massage table setup experience.

Convenient Height Adjustment

Masseurs can easily fine-tune the table using the gentle touch of height control switches, positioned on both sides and always within reach. The height adjustment operates smoothly, thanks to a programmed slow start and stop.

These switches also control the table's caster-lifting function, specifically the EOC* system.

Ultimate Comfort

Experience next generation comfort with Oak Line's massage table, featuring a generously padded upholstery layer and a delicately crafted U-shaped headrest. Thoughtfully designed for a personalized and relaxing experience for every client. Crafted to perfection at EQUA by a team of highly skilled specialists. The table sets a new standard for comfort in massage therapy.

Handcrafted Masterpieces

Immerse yourself in the artistry of EQUA upholstery shop with Oak Line's handcrafted massage table. Ultra-careful attention to detail is evident in every inch, from the 100% handcrafted construction to the elegant straight-line double stitching pattern on the upholstery. This is a masterfully crafted piece of functional art.

Genuine Oak Appearance

Enhance the elegance of your space with the well-defined charm of genuine oak wood appearance to evoke cosy mood. The Oak Line massage table boasts oak details, seamlessly blending sophistication with style. Its signature styling makes it the perfect addition to the most stylish interiors, creating a space that exudes timeless elegance.
